The MCDS Guardian Angel Program

Here at MCDS, we want to be the hands and feet of Jesus, take His command to heart, and involve as many of you as possible. Again this year, we will be making our Guardian Angel Program available to those who may need it.

In the past we have had grocery collections for patrons, provided meals for families and sent hand-made cards for persons who needed cheer and remembrance. In most situations, we have not been notified in any official way of those in need; we simply heard by word-of-mouth. We have decided to “formalize” this process to fulfill as many needs as possible in our patron body; we want to help to “carry each other’s burdens.”

Please consider notifying us if:

- You or someone you know within our MCDS community has lost a job or is coping with some other type of financial hardship.
- You or someone you know within our MCDS community has suffered a loss.
- You or someone you know within our MCDS community is dealing with health issues.

Program guidelines:

- All information will be kept in the strictest confidence.
- All groceries/monies will be collected at the school and delivered to the recipient by a “Guardian Angel.”
- Names of those who need some kind of assistance should be submitted in writing to Sheila Martin, by the person/family themselves or by someone who is familiar with the person/family situation. Simply write a note outlining the situation/need and send it in a sealed envelope to Sheila’s attention at the school office.
- Submitted information will be reviewed by the Finance Manager, the Principal, and a Board member assigned to this committee.

We will seek various types of donations on occasion through the weekly MCDS TIMES newsletter, with details as to what type of assistance we would like to provide. We would greatly appreciate your help whenever your circumstances allow.

Thank you for helping to lighten someone else’s load!
