

Manheim Christian Day School
2016-2017 UPDATED Outside Media Permission Form

Due to some changes, including the addition of Twitter and Instagram to our list of outside media, we would like to collect this updated permissions form from all families.

There are so many beautiful moments of learning and community that happen in and outside the classroom here at MCDS. We have been working hard to develop a greater presence on social media, and like to keep our patrons and followers abreast of the current happenings through posts and pictures. We would like your permission to include your child's picture and/or name in our publications and posts to outside media.

If you have any questions about this form, please contact Becca College who is in charge of coordinating our online presence. becca.college@manheimchristian.org.

Please promptly sign and return the following page to the MCDS office.

I, _____, give my permission for MCDS to include posts and
(Parent/Guardian Name)
