2018-2019 UPDATED Outside Media Permission Form

In order to simplify our record keeping, we have grouped like-media together below. Please check ALL categories you give permission for your child/children to be included in. We are looking to collect updated permission forms from all families.

There are so many beautiful moments of learning and community that happen inside and outside the classroom here at MCDS. We strive to keep our patrons and followers abreast of the current happenings through posts and pictures online, occasional newsletters, and news releases. We need your permission to include your child's picture and/or name in our publications and posts to outside media.

If you have any questions about this form, please contact Kim Forry who is in charge of coordinating our online presence. kim.forry@manheimchristian.org.

Please promptly sign and return the following page to the MCDS office. Unless we receive a signed form from your family, we will assume you do not give permission for your child/children to be included in any of the following areas.

I, _____, give my permission for MCDS to include posts and
